

OUR ADA HANDRAIL, *now with the strength and style of aluminum*

Sturdier, stronger and more durable than ever before, Trex® ADA compliant handrails are now made from powder-coated aluminum. Each component is engineered to be easy to install, easy to maintain and even easier to hold onto.

- » Aluminum possesses unparalleled strength and stability
- » Continuously graspable handrail
- » Washes clean with soap and water for low maintenance
- » AAMA-2604 powder coating resists fading and corrosion
- » Includes fasteners for installation on both aluminum and composite posts
- » Available in three colors: Charcoal Black, Bronze, Classic White

- 1** 1 3/8" x 8' Hand Rail
- 2** Post Return
- 3** Collar
- 4** Wall Mount
- 5** 36 Degree Elbow
- 6** 90 Degree Wall Return

COMPONENT	ITEM NUMBER
1 3/8" x 8' Hand Rail	XXALADARAIL8
Post Return ("Candy Cane")	XXALADA180CCANE
Collar	XXALADACL
Wall Mount	XXALADAWMNT
Corner Mount	XXALADAICORNER
90 Degree Wall Return	XXALADA90WR
5 Degree Elbow	XXALADA05ELB
31 Degree Elbow	XXALADA31ELB
34 Degree Elbow	XXALADA34ELB
36 Degree Elbow	XXALADA36ELB
90 Degree Elbow	XXALADA90ELB
Rail End Cap	XXALADACAP
4" Internal Connector	XXALINTCONN
